Click the "Preferred Partner" button to add this company to the quarterly reporting list. Even if you only use this partner occasionally, it is a helpful reminder to report for them if you have made any purchases. Clicking again will toggle the option to remove the preferred partner from the list.

Sign up:

Manufacturers that sell their products through a distribution center need your account information to identify your purchases to pay their rebate. For partners that require a Preferred Partner Collection Form (PPCF) you will see a "PPCF Form" button instead of the "Preferred Partner" button. By registering your distributor and account number, a PPCF will be sent to the manufacturer and Partner Network. Plus, this partner and your distributor will be featured on your quarterly reporting list. Please note: These forms must be on file within the quarter that the purchases are made to qualify for the rebate. Do this step TODAY!

PPCF Form

← Find this button on the resource pages of manufacturers.

Zoom in:

Fill out a PPCF for each brand of manufacturer you use. For example, separate forms will need to be completed for Goodman, Amana, and Daikin as well as each brand in the A.O. Smith family of brands. The contact information for your supplier is required. Please include the name, Email, and phone for your salesperson or store manager. Add as many distributors or account numbers as you need by clicking on "Add Distributor."
