

December 6, 2018

To Our Valued Customers and Partners,

Noritz has always been known for the highest quality products in the industry. Our new EZ/EZTR series continue to be the **ONLY** direct tank replacement in the Industry. We feel so confident in this product we are going above and beyond to show their distinct advantages.

**EZ/EZTR 25 Year Warranty**

Effective January 1, 2019, Noritz is excited to announce a **25-year heat exchanger warranty on the EZ and EZTR product lines (EZ98, EZ111, EZTR50, EZTR75) \***

\*EZTR40 excluded. Warranty details can be found at [www.noritz.com/ezwarranty](http://www.noritz.com/ezwarranty)

Units installed and registered as of Jan 1, 2019 will qualify. As always, please make sure all Noritz products are being registered online at [www.noritz.com](http://www.noritz.com).

Thank you for your continued partnership.

Sincerely,

Jason Fleming  
VP Sales and Marketing
