

Top 6 Reasons to Install Arzel Zoning this Spring

1. **Lifetime Parts Warranty:** Arzel Zoning is the ONLY manufacturer that backs its products with a lifetime warranty. That means there is no risk in purchasing and installing an Arzel Zoning system. In an industry where reputation is everything, you can rest easy knowing you're covered by Arzel Zoning's lifetime warranty
2. **100% Comfort Guarantee:** If the homeowner is unsatisfied with their system within one year of their purchase, Arzel will buy back the system at the price you paid.
3. **Easy Installation with Less Mess:** Arzel zoning system can be installed in less than one day with little to no inconvenience or mess to the homeowner or their homes.
4. **Universal Compatibility:** Arzel Zoning systems will work with any standard R-W-Y-G 24-volt system and is perfect for all retrofit applications. If the homeowner doesn't have standard ductwork, Arzel offers custom sized dampers to best fit any application.
5. **Quiet, Air-Driven Operation:** Arzel Zoning systems feature motor-less, air-driven dampers, which are not only quiet but also very reliable.
6. **Additional 10% Rebate:** Beginning April 1st and running until May 31st, Arzel is offering an additional 10% rebate, in addition to your member's rebates, when you buy any Arzel panel. Send us your invoices before June 30th, and we will send you a check.
